FOR IMMEDIATE RELEASE

“CHCC Celebrates National Hospital Week”

Now, more than ever “National Hospital Week” gives us the opportunity to highlight our hospital and healthcare workers at the Commonwealth Health Center and the innovative ways they are supporting the needs of their community members during this PANDEMIC TIME. CHC is committed to a healthy and optimistic community. With that in mind, this year’s celebration of CHC as a whole healthcare system is taking the form of **“A Week of Thanks,”** where people in the community can participate from the safety and comfort of their homes while health care heroes go to work fighting against COVID-19. Globally, National Hospital Week is celebrated from May 10-16 in appreciation to the men and women who support the health of their patients through dedication and compassionate care. Join us and help say thanks.

In light of this special week, CHC has prepared a scheduled post for the community to thank them through our Facebook social media page: <https://www.facebook.com/cnmichcc/>. Please feel free to share your positive comments, meaningful quotes or note of encouragement! Even during a time like this, you can make a difference by making their day shine a little brighter!

Take a look at the teams who are in the spotlight during their special day of the week:

Monday, May 11:

- Medical Staff, Mid-Level Providers, and including non-physician practitioners

Tuesday, May 12:

- Hospital Nursing Services – Medical/Surgical, ICU, Obstetrics, Pediatrics, Labor and Delivery, Operation Room, Emergency Room, NICU, Psychiatric

Wednesday, May 13:

- Ancillary Services – Laboratory, Physical Therapy, Respiratory Therapy, Radiology, Medical Social Services, Pharmacy, Dietary Services, Medical Records

Thursday, May 14:

- Specialty Centers– Hemodialysis, Peritoneal Dialysis, Oncology

Friday, May 15:

- Hospital Operations, Management, Administration & Support Services – CEO, COO, Human Resources, Hospital Quality/Risk Management Program, Utilization Review and Discharge Planning Program, Infection Control program, Compliance, HIPAA Program, Accounting, Payroll, Facility Maintenance/General Support Services, Health Information Technology, Procurement & Supply
